

Attention Marathon Charities!!

NEW THIS YEAR!!!

**Best Dressed Costume:
win \$ for your charity**

With thousands of people entered to run our Marathon, Half Marathon and 5K, some go the extra mile by dressing up for the occasion. The number of participants who wear costumes during the Canada Running Series Races has grown over the past few years mainly to generate more attention for a particular charity as well as to raise more funds.

This year we have the pleasure in announcing that we have introduced a 'Best Dressed Costume' category in all three events. The proposed categories and prizing will be:

- Best Costume in the marathon \$2,500 for your charity; Honourable mention \$500 for your charity
- Best Costume in the half-marathon \$1,000 for your charity
- Best Costumes in the 5K: 2 x \$500 for your charity

All costumes will be judged by 3 Celebrity / Media Judges at the Finish Line. Please note that you have to finish the race in your costume! PLEASE NOTE that Winners must choose from one of the Scotiabank Group Charities or Neighbourhood Charities to allocate their prize money.

So who will you be? Fred Flintstone yelling 'Yabba Dabba Doo', Buzz Lightyear racing to infinite and beyond or will you dress as Superwoman hoping to be the fastest female super hero to cross the finish line?
