## MESSAGE FROM OUR PRESIDENT

After twenty-five years of providing service to the city of Toronto, it's important that we express our appreciation to all the financial and food donors, and volunteers who have supported our efforts along the way. Without their donations of food, funds, and time we could not continue to provide our essential services. In addition, every staff, Board and committee member who is, or has been, part of Second Harvest has played a significant role in providing a meal to someone in need. On behalf of Second Harvest I would like to thank all of these people for caring enough to make a difference.

At the centre of our work are over 200 social service agencies that are on the front lines of hunger every day, providing critical programs to our city's most vulnerable. We are proud to work with these community partners who help improve our city, one meal at a time.

Second Harvest was built on a desire to help feed Toronto's hungry. Towards that end, we have achieved many things over our twenty-five year history. We've rescued and delivered over 70 million pounds of food, developed innovative programs like *Harvest Kitchens*, and expanded our services – but our reality remains a somber one. Doing the work that Ina Andre and Joan Clayton, our founders, started in 1985 remains a challenge as good food continues to go to waste and people are still going hungry.

The next phase of our journey will bring more awareness to hunger issues in our city and the concept of food recovery. We remain steadfast in the pursuit of our vision “that no one need ever go hungry in the communities we serve”.

Joe Chesham  
President

## MESSAGE FROM OUR EXECUTIVE DIRECTOR

This was an exceptional year for Second Harvest. For the first time ever, we collected 6.4 million pounds of food and raised more than \$3 million! We are now providing enough food for more than 16,000 meals a day and are still able to deliver a pound of food for less than fifty cents. Thank you to all our donors, volunteers and staff who have helped make this possible.

There were a number of encouraging signs in this, our 25th anniversary year:

- We added two new agencies to our *Direct Delivery* program and increased the amount of food delivered to our current agencies by 8%.
- Our key fresh food categories – dairy, produce and protein – were up 18%.
- Two pro-bono firms – Top Drawer Creative and Faye Clack Communications – helped us achieve record publicity.
- A very successful *Toronto Taste* attracted 1,200 guests and raised enough funds to provide over 500,000 meals.
- We delivered more food while driving fewer kilometres, with fewer stops and hours per route.
- We received two third-party endorsements from Charity Intelligence Canada and *MoneySense* magazine.
- On the evening we gathered to thank our donors and volunteers, the CN Tower was glowing ‘Second Harvest’ green to commemorate our 25 years of service to Toronto.

As pleased as we are with these successes, I would be remiss in not mentioning that there remains an increasing need in the city for our services. To this end, we pledge this year to work tirelessly to rescue even more fresh food and feed more hungry people in Toronto.

Independent research organization Charity Intelligence  
Canada named Second Harvest a Ci Recommended charity  
recognizing us for our efficiency and impact of work.

## SECOND HARVEST PROGRAMS

**DIRECT DELIVERY** The core of our work, our *Direct Delivery* program, dispatches seven trucks throughout the city to rescue fresh food and deliver that food to over 200 social service agencies.

**FEEDING OUR FUTURE** A summer program, in partnership with the Sodexo Foundation, *Feeding Our Future* provides over 30,000 lunches to kids in inner-city summer camps. This program ensures that kids who get subsidized lunches through the school year also receive a nutritious lunch while attending summer camp.

**HARVEST KITCHENS** Our culinary training program, *Harvest Kitchens*, trains adults and youth facing barriers to employment in food preparation, providing valuable job skills needed to achieve a self-sufficient future.

**HUNGER SQUAD** *Hunger Squads* are groups of corporate volunteers in the downtown core who use a portion of their lunch hour to walk to a local cafe, bakery or restaurant, pick up a small food donation and transport it on foot to a social service agency nearby. This program increases efficiency by reducing gas costs and truck maintenance while bringing in more food.

# 1

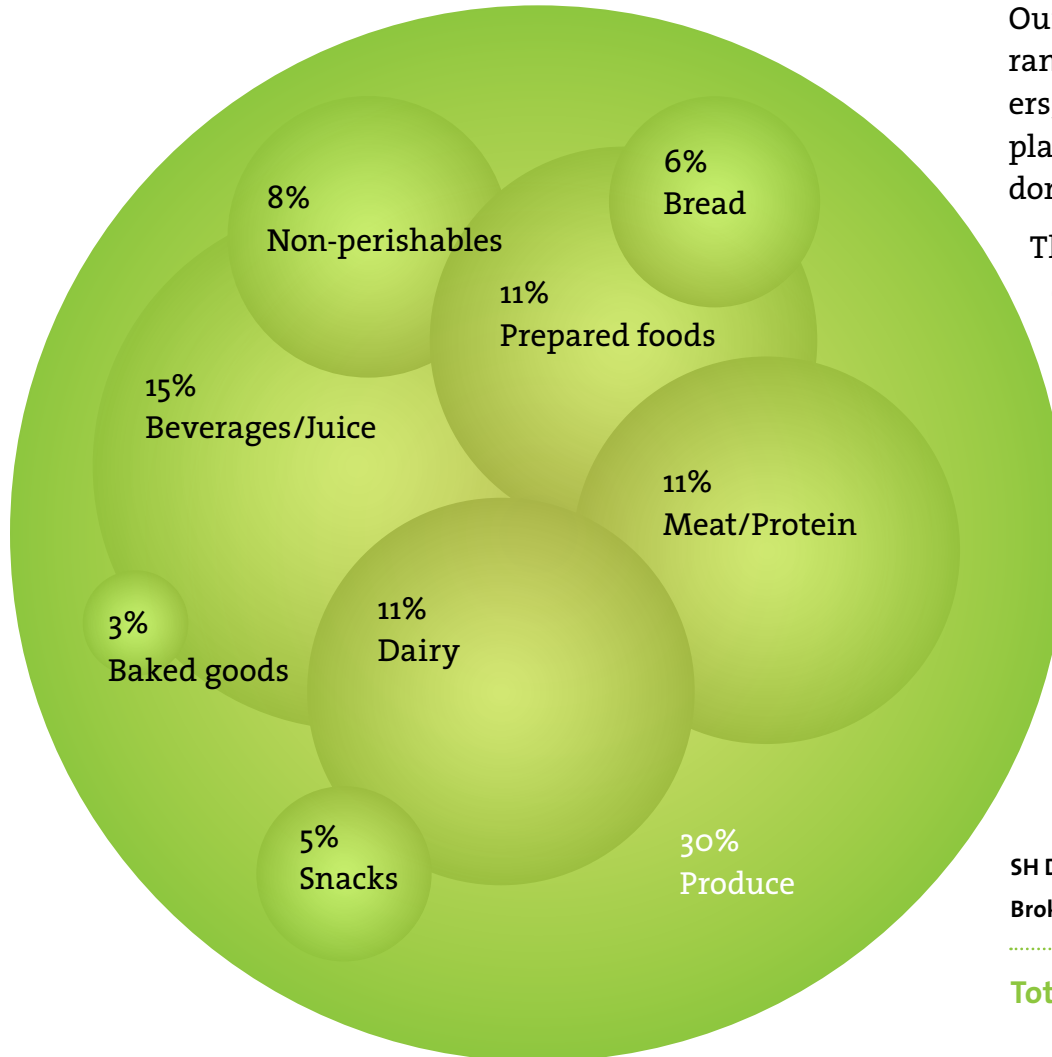

2010

The employment rate of our Harvest Kitchens graduates is 83%.

## FOOD RECOVERED & DELIVERED

Our food donors are local hotels, restaurants, grocery retailers, food manufacturers, food distributors and major event planners. Below is a breakdown of the food donations we received this year.

The majority of food we receive is delivered through our *Direct Delivery* program. This year we recovered and delivered 6,341,128 pounds of food. In some cases we will connect a food donor directly to a social service agency. This year brokered food totaled 92,586 pounds. Combined, Second Harvest delivered 6,433,714 pounds of food this year.

SH Direct:	6,341,128
Brokered:	92,586
<hr/>	
<b>Total:</b>	<b>6,433,714</b>

**KEY INDICATORS** In order for Second Harvest to rescue and deliver food throughout the city every day we need the ongoing support of food donors, financial donors and volunteers. Without this network of support we could not continue providing relief to Toronto's hungry.

**FOOD VALUE** Second Harvest distributed 6,433,714 pounds of food last year. Using a value of \$2 per pound of food (based on consultation with Food Banks Canada), this food is worth approximately \$12,867,428.

**VOLUNTEER HOURS** Second Harvest is fortunate to count on 1,195 volunteers who lend their time and talent to our work. Statistics Canada acknowledges the importance of volunteers by valuing their work at \$17.38 per hour. This year our volunteers contributed 13,812 volunteer hours, which saved Second Harvest over \$240,000.

**IN-KIND DONATIONS** In addition to financial and food donations, many businesses choose to support Second Harvest by donating products or services. This fiscal year, those donations were valued at \$1,307,062 which included truck insurance, courier costs, design and print work, advertising and many other gifts, such as the generosity of our Toronto Taste chefs and their suppliers for their endless contributions.

To the Members,  
Second Harvest Food Support Committee

The accompanying summarized statement of financial position and statement of operations are derived from the complete financial statements of Second Harvest Food Support Committee as at August 31, 2010 and for the year then ended. In our opinion, the accompanying financial statements fairly summarize, in all material respects, the related complete financial statements in accordance with the criteria described in the Guideline referred to above.

## MAKE A DIFFERENCE

**DONATE FOOD** If you work for a food corporation please consider donating surplus food and prevent it from going to waste. We can respond to both adhoc and regular delivery requests. Please contact us at 416.408.2594.

**DONATE FUNDS** Funding is critical to our work. Second Harvest does not receive ongoing government or United Way funding. We rely solely on corporations, foundations, community partners and individuals to support our work. If you would like to be part of our food recovery network please visit [secondharvest.ca](http://secondharvest.ca) to make a secure, online donation or call 416.408.2594.

**VOLUNTEER** There are many volunteer opportunities available throughout the year. Whether you are assisting a driver, participating in *Turkey Drive*, collecting donations on *Lunch Money Day*, helping out around the office or volunteering for *Toronto Taste* you will have the satisfaction of helping to feed a hungry neighbour. Visit [secondharvest.ca](http://secondharvest.ca) or call 416.408.2594 to inquire about volunteer opportunities.

**SPREAD THE WORD** Help us raise the profile of food waste in our city. Join our social network on Facebook or Twitter, @2nd HarvestTO, or sign up to receive Second Harvest news by emailing [email@secondharvest.ca](mailto:email@secondharvest.ca).

**SECOND HARVEST DELIVERIES 1985**

**SECOND HARVEST DELIVERIES 2009**

Now serving Toronto for 25 years, Second Harvest is a charitable organization that takes a common-sense approach to hunger. We pick up donated, perishable food, which would otherwise go to waste, from restaurants, grocery stores and manufacturers and deliver that food to over 200 social service agencies in the city. Second Harvest provides enough fresh food for over 16,000 meals daily to children in after-school programs, seniors on fixed incomes, women fleeing domestic abuse, homeless people, those affected by the recession and thousands of others who have fallen on hard times. Since 1985 Second Harvest has rescued over 70 million pounds of excess food and prevented 36 million pounds of CO<sup>2</sup> equivalent emissions from entering our atmosphere.
